Certification Body	Intertek Semko AB, Product Certification	Place	Kista - Stockholm
Signed	 Christoffer Johansson	Date	6 October 2008 Page 1 of 2

This certificate is issued in accordance with the terms and conditions set out in the Appendix.

Appendix

Reference No. 812667

Technical data

Type designation	ROBUST F9
Rated voltage (V)	230, 400
Rated power (W)	9000
Frequency (Hz)	50
Class	I
IP-Class	65
Product information	3AC

Manufacturing site(s) VEAB Heat Tech AB
 Stattenevägen 50
 281 23 Hässleholm
 SWEDEN

This certificate replaces previously issued ref. No. 700028 dated 21 May 2007 for fan heater. A new certificate has been issued on account of update of standard.

This certificate, which includes production control, is considered to constitute sufficient support for an EC Declaration of Conformity and CE marking of the product according to the Low Voltage Directive 2006/95/EC.

The certificate applies for countries that have sanctioned the use of plugs/outlets according to subject standard sheet and component standard.

Safety related parts of the user instructions shall be written in a language acceptable to the country where the product is to be used.

Certification Body Intertek Semko AB, Product Certification *Place* Kista - Stockholm

This Certificate is for the exclusive use of Intertek's Client and is provided pursuant to the Certification agreement between Intertek and its Client. Intertek's responsibility and liability are limited to the terms and conditions of the agreement. Intertek assumes no liability to any party, other than to the Client in accordance with the agreement, for any loss, expense or damage occasioned by the use of this certificate. Only the Client is authorized to permit copying or distribution of this certificate and then only in its entirety. Use of Intertek's Certification mark is restricted to the conditions laid out in the agreement. Any further use of the Intertek name for the sale or advertisement of the tested material, product or service must first be approved in writing by Intertek. Initial Factory Assessments and Follow up Services are for the purpose of assuring appropriate usage of the Certification mark in accordance with the agreement, they are not for the purposes of production quality control and do not relieve the Client of their obligations in this respect.
